

Seize your chance and use your talents in an innovative and international company. Enhance your knowledge within an expanding business offering long-term perspectives and modern working environment. Highly motivated and friendly colleagues form the foundation of a company culture which builds our success. You don't want to miss that chance? Then we should get to know each other!

Currently we are looking for a

Project Manager / Account Manager Intercompany Business (m/f) in Kunshan (China)

Your tasks

You assume the mainly responsible interface function for the successful handling of our intercompany projects (Germany, China, USA) at our site in Kunshan (Shanghai, China):

- Compilation of the project teams
- Set priorities within the project and prepare a CPS(critical path schedule) for projects
- Contact person for our customers during the entire project
- Supplier enquiries and negotiations in cooperation with the purchasing department
- Sales price calculation / target pricing
- Responsibility for approval processes
- Responsibility for budgets and contribution margins of Intercompany projects

Your profile

- Several years of experience in similar positions in the exhibition shop fitting sector or in the plastics / metalworking industries
- Experience in project business
- Strong customer focus
- Profound knowledge in MS Office, especially in ERP systems
- Willingness to travel
- Strong ability for organising and coordinating processes
- Outstanding commitment, team spirit and flexibility

About us

For 50 years our name stands for innovative development of retail displays in the cosmetics and consumer goods industry. Our 320 employees in Frankfurt, Paris, Shanghai, Birmingham and New York work to place the Point of Sale into the consumers' focus. Our success reflects our costumers' trust. GESA Form + Funktion is the supplier for permanent display solutions for the cosmetics industry and we are still growing.

Want to Join?

At GESA you will experience an exciting and diversified career in an international environment. You will receive the freedom to develop within your area of expertise and contribute to a successful business.

We are growing – grow with us!
